Therapeutics

- Federal Updates:
- Therapeutics Shelf-Life Extensions
 - On May 20, 2022, the Federal Drug Administration (FDA) authorized extensions to the shelf life of specific lots of the refrigerated Eli Lilly monoclonal antibody, Bebtelovimab from 12 to 18 months. The FDA granted this extension following a thorough review of data submitted by Eli Lilly. More information can be obtained at the following link: https://aspr.hhs.gov/COVID-19/Therapeutics/updates/Pages/important-update-20May2022.aspx?utm_medium=email&utm_source=govdelivery
 - This extension applies to all unopened vials of Bebtelovimab that have been held in accordance with storage conditions detailed in the authorized Fact Sheet for Health

- Test-to-Treat (T2T)
 - CDPH staff have drafted a Test-to-Treat (T2T) playbook and is currently under staff review.

MHCC

- Received a total of 46,540 (+51) resource requests and a total of 45,522 (+400) inquiries from public citizens, LHJs, and healthcare facilities. The number of inquiries listed is a total of the Maximus Call Center and MHCC inquiry counts combined.

Surge Team

- As of May 31, 2022, the confirmed COVID hospitalization census is 2,281 (+350).
- Emergency Department COVID related visits and new COVID positive admission continue to increase in all regions. Admissions are 8.9/100,000.
- The percent of ICU patients that are COVID positive is beginning to increase slightly but remains below 5% statewide and overall number is lower than June 15, 2021.
- The percentage of all new COVID positive admissions that are age 0-17 remains below 4%.
- The percent of Pediatric ICU (PICU) patients that are COVID positive is increasing but remains below 4%.
- PICU bed availability remains above 30%.
- Hospitalizations categorized as "likely covid-related admissions" have declined from about 60% since late 2021 during the Omicron surge to further decreases in late February 2022, when Omicron BA.1.1 was the predominant lineage, and has remained between 45-55% since.

Long Term Care Facilities Team

- 2,786 new cases (1,378 residents, 1,408 staff) reported in State licensed or operated residential facilities in the last 7 days. The 7-day average for new cases has decreased from 434 to 432 (1%) in the last week.

State Facilities

- CHCQ received 3 (+2) facility Program Flex requests.
- CHCQ received 0 Salesforce requests.
- CHCQ continues to hold the All Provider, Local Health Department, and Infection Control calls each week.

Statewide Epidemiology Trends

Case Average & Rate		
	7-Day	14-Day
Case Average by Report Date	14,595 (+934)	14,128 (+2,280)
Case Average by Episode Date (w/ 7-day lag)	13,263 (+2,511)	12,248 (+2,447)
Case Rate per 100k (w/ 7-day lag)	33.1 (+6.3)	30.5 (+6.1)

Omicron Variant Update

- Case rates continue to increase and have increased over six times since a nadir of 5.3 around March 20-23, 2022.
- Current case rate is 33.1/100,000 (up about 60% from 20.9/100,000 a week ago).
- The 7-day average cases by episode date is 13,262 (up from 8,401 a week ago).
- R-effective is around 1.1.
- Based on current CDC Community levels, 33 counties in California (78% of population) are classified as medium. This is an increase from 14 counties.

Vaccine Task Force

- KidsVaxGrant
 - A total of 334 applications were received. \$6.5 million out of the \$10 million dollars have been used as of June 1, 2022.
- Communications
 - Neighborhood Partnership Program. Last week:
 - 24 applications were approved.
 - 154 projects have been approved to date.
 - On May 24th, conducted our 7th workshop with 20 representatives from different agencies.
 - Connecting with local partners to vaccinate local community members:
 - The San Juan Bautista City library hosted an English and Spanish vaccination clinic where 31 people were vaccinated.
 - The Fresno community center held a Protect Your Family! Be a Hero themed clinic in English, Spanish and Hmong communities where 190 people were vaccinated.
 - The San Diego Youth Services hosted a clinic where 23 people were vaccinated.
 - Crucial COVID-19 Conversation's webinar will be held in Spanish on June 10.
- School Readiness
 - Two events are scheduled this week in Imperial and San Bernardino County.
 - Fifty-eight requests were received for early care and education events with an anticipated start date in July.
- Digital COVID-19 Vaccine Record (DVCR) Data: Since launch on June 18, 2021, the DVCR, <https://myvaccinerecord.cdph.ca.gov/>, tool has delivered 16.27 (+.13) million QR codes to 8.02 (+.04) million recipients with a current weekly match rate of 88%. Any DVCR issues can be remediated through a Virtual Assistant Tool, <https://chat.myturn.ca.gov/?id=17> which includes identity verification through ID.me. To date, nearly 867,000 (+2,000) remediation requests have been processed. Most issues relate to missing doses or incorrect/missing contact information. 99% of all remediation requests are resolved within five days.
- Vaccine Insights Report from May 16, 2022 – May 22, 2022
 - California administered 361,238 (+15,792) total doses.
 - This is an 3.1% increase from the previous week and +4.6% increase from two weeks ago.
 - California administered 31,587 (+2,289) new first doses.
 - This is a +5.3% increase from the previous week.
 - California administered 19,485 (+2,041) total pediatric doses.

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

6/1/2022

Report Time:

1630

- This is a +81.3% increase from the previous week.

Statewide Vaccine Efforts

Statewide Vaccine Efforts	
Administered	76,314,328
Average doses per day	51,958
People fully vaccinated	28,397,789
People partially vaccinated	3,092,853
Booster doses Administered	15,696,617
Doses on hand	3,156,431
Delivered	90,111,065
CDC Long Term Care Facility Pharmacy Partnership	
Delivered	37,722,330

Testing Task Force

- Test-to-Treat with OptumServe: As of Tuesday, May 24, 2022, 139 locations were fully operational. 351 individuals have been screened, 235 received prescriptions for Paxlovid and 8 were referred for monoclonal antibody therapy. The Office of Public Affairs has distributed talking points and social media messaging for use by Local Health jurisdictions (LHJs).
- Twice weekly meetings between Color and CDPH continue to address any unforeseen issues with the lab transition.
- Rapid response plan for providing at-home antigen tests to people who have invalid lab results at molecular testing sites. All sites are now shipped. Response flow is developed, with ability to overnight for additional response if site delays shipping occur.
- TTF met with MobileMed to improve communications on drop-boxes, developing electronic log system for testing sites to register drop. If a drop is occurring after pick-up time, this will initiate a phone call to courier for alternate pick-up plans to facilitate timely processing.
- Schools team summer school over the counter (OTC) distribution campaign updates as of May 31, 2022:
 - 7 Community Based Organizations (CBOs) are awaiting final confirmation, 42 are confirmed, and 9 have declined.
 - 786,032 OTC tests ordered are pending shipment, 4,898,942 OTC tests are shipped, and 4,545,838 OTC tests have been delivered.
 - Schools team summer school OTC distribution campaign is winding down.
- On May 27, 2022, the schools team disseminated operational testing strategy document to schools and other external stakeholders for Fiscal School Year 2022-2023.
- First pass TTF website updates are complete. A new mission statement and goals are established and will be updated soon. Completed the transition of TTF frequently asked questions (FAQs) to links of frequently updated sites for best auto-updated information.
- Continue developing community college plan for distribution of OTCs to health centers for test access for symptomatic, outbreak response, and uninsured. Invitations have been extended to health centers and orders are pending. Over 76,000 has been shipped.
- Completed LHJ survey for current supplies of OTCs and professional antigen tests on-site, outreach to undersupplied LHJs to up stock for surge.
- Planning of test-to-treat patient surveys at OptumServe sites.
- Updates are in progress on Incident Command System (ICS) 202. TTF is simplifying communication about reporting results through Primary for CBOs and other organizations that have received OTC tests through the TTF.
- Developing additional materials on sample collection to support sites with unsatisfactory results.
- LHJs are encouraged to maintain outbreak response supply.
- New allocation of 2 million OTC and 1 million professional antigen tests to LHJs.

CA-ESF 5: Management (Cal OES)

Office of Access and Functional Needs (OAFN)

- OAFN participated in the Disability Disaster Strategies Coalition Meeting organized by the California Foundation for Independent Living Centers (CFILC) to discuss critical disaster preparedness measures for individuals with access and functional needs, wildfire response activities, and shelter operations during the COVID-19 pandemic.
- OAFN presented to community leaders and partners of the Pájaro Valley Climate Action organization at the Climate of Hope Forum hosted by Regeneración as means to raise overall understanding, awareness, and integrated response and recovery efforts among whole community partners and stakeholders serving older adults, individuals with disabilities, and people with access or functional needs during the pandemic.
- OAFN participated in the National Pediatric Disaster Conference Oversight Committee Meeting to discuss critical disaster preparedness, response measures, and inclusive recovery initiatives for children, caregivers, and families with access or functional needs during the pandemic.
- OAFN is working with the SOC and MHCC Operations to direct resource requests of Personal Protective Equipment (PPE) for community-based organizations and private nonprofits who are providing essential services to their operational areas.

Office of Tribal Coordination (OTC)

- OTC continues to aid in securing PPE and other resources for Tribal nations.
- OTC continues to work with Tribes, federal, and state partners on the 2021 Wildfire Recovery efforts, including Tribal monitoring for the debris removal.

Office of Legislative and External Affairs (OLEA)

- The Joint Statewide Situation Call to update city, county, State, federal and tribal elected/non-elected officials will be held on 5/26/22 at 1530 hours.
